

## Stressful, Expensive and Time Consuming

HMRC have the power to investigate anyone that submits a tax return

### Service Summary

When you subscribe to our service we are able to make a claim against our insurance policy held with Professional Fee Protection in respect of our fees incurred (up to £100,000 per claim unless otherwise indicated) when we defend a client who is subject to any of the following events:

**A Full Enquiry** – This is an extensive examination which considers all aspects of the self assessment tax return. It will involve a comprehensive review by HMRC of all books and records underlying the entries made on the return. It will also feature the issue of a notice under S9A/S12AC TMA 1970 or paragraph 24(1) Schedule 18 FA 1998.

**An Aspect Enquiry** – This is where HMRC enquires into one or more aspects of the self assessment tax return which may involve clarification of particular entries, to detailed consideration of whether those entries have been treated correctly for tax purposes. It may involve a check on the records upon which the particular entries were based. It will also feature the issue of a notice under S9A/S12AC TMA 1970 or paragraph 24(1) Schedule 18 FA 1998.

**IHT Cover** – This relates to an estate or trust where our involvement is considered necessary following the submission of an IHT return which has been wholly prepared by us. The limit of indemnity for this is £5,000.

The Main Exclusions in our service are as follows:

- » The costs of making good any deficiencies in books, records, accounts or returns or work ordinarily capable of being done by the client.
- » Any matters relating to a business or trade.
